DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on December 17, 2010 has been entered. Claims 1, 5 and 8 are presently pending.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 8, replace "sterilisation" with "sterilization"

Allowable Subject Matter

3. Claims 1, 5 and 8 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art, alone or in combination, fails to teach or suggest the device recited in amended claim 1. Specifically, the closest prior art of Moulton et al. (5,178,829) and Jacob et al. (5,667,753) fail to teach or fairly suggest "a sterilization chamber having therein a metal object holder on which the objects to be sterilized are disposed, wherein walls of said sterilisation chamber comprise a material that is adapted to heat up by recombination of nitrogen and have a capacity of recombination of nitrogen less than that of said metal object holder" in the claimed environment. Therefore, the Applicant's arguments filed December 17, 2010 are persuasive and claims 1, 5 and 8 are allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sean E. Conley whose telephone number is 571-272-8414. The examiner can normally be reached on M-F 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jill Warden can be reached on 571-272-1267. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
